Subject: Karen Allen: School Vouchers

Mrs. Allen left voicemail on April 19 requesting any information on Mississippi's school voucher program if we have one. She also requested a copy of a school voucher from Florida, Michigan or Ohio if I could locate such a voucher. I emailed Cheryl Parker Rose at the US Department of Education on April 21 and asked if there were actual vouchers in these voucher states or was it actually paperwork in the schools. I downloaded a 1997 Policy.com issue related to vouchers.

I called Mrs. Allen this morning and informed her that I haven't been able to locate an actual voucher. She did request that I send her the Policy.com info, which I put in mail today.

This case is closed.

Dear Mrs. Allen:

Thank you for your recent inquiry to the Governor's Office regarding school vouchers. As I informed you on the phone earlier today, I have not received a response from any of my contacts regarding my obtaining a copy of a voucher for you. I have enclosed a 1997 issue of Policy.com that focused on school vouchers.

I hope this information will assist you in preparing for your presentation.

Very truly yours,

Kelly Riley
